**FIRM WITH NATIONAL REACH DONATES LOCALLY**

DAS Distributers Incorporated, Lawn, PA, recently challenged staff to facilitate a “pay it forward” project. Their assignment - Stewardship Operation: Give Back Give Out. Management gave each staff member \$50. They were not to spend it, but utilize it to benefit others. Teams were formed. Two teams from the company chose the Lebanon VA Medical Center to be their beneficiary. The teams held fund raisers with their pooled monies. The two teams coordinated fund raisers such as a bingo event, ice cream sale, and accepting donations for samples of products DAS produces. The two teams donated a grand total of \$1954.25.

Robert W. Callahan Jr., Director, Lebanon VA Medical Center (VAMC), met with 10 of the team members that visited the facility, and personally thanked them for their generosity, hard work and donation. “This donation will be used to support Veterans at Lebanon VA,” said Callahan.
