LEBANON VA MEDICAL CENTER PHARMACY RIBBON CUTTING

Lebanon VA Medical Center will be the setting for a Ribbon Cutting Ceremony in the renovated Pharmacy in Building 17 on Thursday, February 17, 2011, at 12:30 p.m.

This \$2.2 million project includes renovations that combine the inpatient and outpatient pharmacies. The central processing will reduce window wait time, improve efficiency, and increase workflow.

“The Pharmacy renovation is one of many construction projects currently happening at Lebanon VA to help the facility in ‘Defining Excellence in the 21st Century’ and providing exemplary quality care to Veterans,” said VA Medical Center Director, Robert W. Callahan, Jr.

This ribbon cutting is taking place during National Salute to Veteran Patients Week to further show VA Lebanon’s commitment to improving service to America’s heroes. Many County Veteran Service Officers and Miss Pennsylvania, Courtney Thomas, are scheduled to participate in the ribbon cutting.
