

Internship Program Admissions

Date Program Tables are updated: 7/17/2020

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The Lebanon VA Medical Center Doctoral Internship Program provides qualified doctoral candidates a generalist training with a variety of psychiatric, medical, and geriatric patients in residential, inpatient, outpatient and primary care settings. Internship graduates are prepared for professional practice in VA facilities as well as a wide range of health care settings, including medical centers and non-VA hospitals that primarily serve adults. Applicants must complete at least 3 years of graduate training prior to internship and have at least 400 intervention and assessment hours documented on the AAPI. (300 of which are intervention hours).

Applicants must meet all requirements for VA internship eligibility, which includes:

- U.S. citizenship
- Student in good standing in an APA accredited clinical or counseling psychology doctoral program
- Approved for internship status by their graduate training program coordinator
- Verification of Selective Service Registration (Male applicants born after 12/31/1959 must sign a pre-appointment Certification Statement for Selective Service Registration)

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	NO	X YES	Amount: 300
Total Direct Contact Assessment Hours	NO	X YES	Amount: 50

Describe any other required minimum criteria used to screen applicants:

Application materials are reviewed for basic eligibility, strength of training and experience, and goodness of fit with our program.
